

New Beginnings Nutritional - Special TACA Discount Program

New Beginnings Nutritional's is offering a special 30% discount, 3 times per year exclusively for TACA of Georgia Chapter Members. New Beginnings Nutritional supports TACA's mission and wants to help reduce the high cost of supplements needed for children with autism.

How does the program work?

Three times yearly, TACA members will have the chance to place an order over the period of a weekend to obtain a special 30% discount. These weekends will be announced in advance by your TACA chapter. Each order will be shipped directly to your home with a standard ground shipping price unless the order contains probiotics, and it will be sent 2-day air since we are moving into warmer months.

The next order period will be starting **Friday, August 19th at 12:00 PM (noon) and ends Sunday August 21st at 12:00 AM (midnight)**. The program will have no minimum order requirements but we suggest that you place large enough orders to last at least 4 months until the next order weekend, so you can take advantage of the savings:
