READ ME

Please be advised that the vendor space for the carnival is an outdoor location with little to no shade and no access to electrical outlets. Each vendor will receive (1) one table (unless otherwise specified) and (2) two chairs. It is strongly recommended that you bring your own pop up or umbrella for comfort. TACA would be happy to rent any of the booth addition items on your behalf. Prices are listed above.

Vendor booth space is pre-assigned according to sponsorship levels. Annually, our participation level is high, for that reason prior to and day of the event we cannot change booth space locations due to preference, shade or electrical needs.

It is strongly recommended that each vendor bring a kid friendly activity or craft. The vendors with the most interactive activities experience the most traffic. If you need recommendations for autism friendly activities we would be happy to send suggestions.

For more info, please contact carolyn.baker at (949) 640-4401 or email at carolyn.baker@tacanow.org
